The Secretary to Government,
Development Department,
Fort St.George, Madras, 9.

Sir,

ESTABLISHMENT - Textile Control Department - Re-imposition of Control - Conversion of the post of Textile Control Officer into Tahsildar's grade.

Ref: G.O.Ms.No.4378-Dev. dated 24-8-48.

Textile Control was re-introduced in this district towards the end of August 1948. In paragraph 6 of G.O.Ms.No.4378 Develop-ment dated the 24th August 1948, Collectors were permitted to appoint Tahsildars or Dy.Tahsildars as Textile Control Officers as far as they are available. Collectors were also asked to apply, if necessary, for sanction for conversion of the post of Textile Control Officer already sanctioned in G.O.No.4130 Development dated the 9th August 1948 into the grade of a Tahsildar. At the time of making the appointment, the Provincial Textile Commissioner in his D.O.letter No.53528/48-A dated the 12th August 1948 asked me to select a man of "unquestioned honesty and ability, with plenty of initiative/drive for the post". He also added as additional quali-fications, that the officer selected should be an energetic officer who expects rapid promotion so that he is likely to give his best attention to the work. Applying these texts I selected an approved probationer in the category of Dy.Tahsildars appointing him as Textil Control Officer. At the time of my making the appointment there were three officers on the 1948 list of Tahsildars and I did not ex-pect I would have to make any temporary appointments in the cate-gory of Tahsildars under Rule 9(a)(1) in the course of the year. But vacancies have arisen and recently I had to make a few promo-tions under the temporary provisions. Because of this, the present Textile Control Officer, notwithstanding his superior claims to promotion on the basis of which he was selected for the appointment of a Textile Control Officer, has had to submit to avoidable --- hardship.

2. There are only two alternatives before me. One is to seek the sanction of Government to upgrade the post to that of a Tahsilda post and continue the existing Textile Control Officer in it in whic case there will be no hardship to him. The other alternative is to transfer him from the post of Textile Control Officer and appoint some other man, an experiment fraught with risks. I therefore request that the Government may be pleased to upgrade the post of the Texti Control Officer in the South Kanara District to the category of a Tahsildar with effect from 1st January 1949 for a period of six months.

3. Even on merits, there is a case for upgrading the post in this district. The Textile Control Officer's staff consists of two upper division clerks, 4 lower division clerks, six Textile Inspec--tors and 1 typist. There are 16 wholesale licensees and 431 retail licensees in cloth and 8 wholesale licensees and 23 retail licensees in yarn in this District. The Textile Officer also has to tour round the District and hold local enquiries now and then. The nature of the work involving as it does, unquestioned honesty and ability, with plenty of initiative and drive, is such as would justify the upgrading of this post to that of a Tahsildar's post. It is definitely of a much more responsible nature than the work of a Huzur Head Clerk. Under the circumstances, I submit that the Government may be pleased to accord sanction as prayed for in para 2 above.

Yours faithfully,

For Collector.
